

Capital High School eLearning Guidelines 2020-21

- The first day of school for all students regardless of their learning platform (eLearning, face-to-face, or virtual) is Tuesday, September 8, 2020.
- eLearning students will follow the same A/B Day schedule as Face-to-Face Students.
- On A-Day, students will log into Schoology and complete assignments for periods 1,3,5, and 7. On B-Day, students will log into Schoology and complete assignments for periods 2,4,6, and 8.
- The general expectation is that students will be logged in and participating at the same time and following the bell schedule listed below.
- Students must view all instructional videos that are available in Schoology for their classes.
- Instructional questions and concerns should be communicated directly to the teacher through Schoology.
- Teachers will monitor daily Schoology login records and class assignments to ensure that eLearning students are present for class. If students are not participating and not logging into Schoology, they will be counted absent for the day. Local attendance policies and truancy procedures will be followed.
- Teachers and administrators will communicate with parents of students that are not participating and/or not progressing on the eLearning platform. Students that are not successful on this platform will be reassigned to the face-to-face platform.
- eLearning students are eligible to participate in extra-curricular activities, but must maintain a minimum of a 2.0 Grade Point Average (GPA).
- eLearning students are held to the Kanawha County Schools Student Code of Conduct as well as all policies in the 2020-21 Capital High School Student Handbook.
